
ASET: The Neurodiagnostic Society

John Archibald, MA, R. EEG/EP T. Student Scholarship Application

Eligibility: The applicant must be enrolled in a CAAHEP-accredited Neurodiagnostic technology training program and be a member of ASET with dues paid for the current year. This application must be accompanied by a letter from the Program Director and be e-mailed to Linda Kelly, ASET Director of Education, linda@aset.org. The application and supporting documentation must be received on/by **Thursday, May 19, 2022**.

Student name: _____

Street address: _____

City, State: _____ Zip: _____

Daytime phone: _____ E-mail: _____

Program currently enrolled in: _____

Program Director: _____

Street Address: _____

City, State: _____ Zip: _____

Daytime phone: _____ E-mail: _____

Total length of training program (months): _____ Number of months you have completed: _____

Have you attended ASET meetings/courses in the past? _____ Yes, please list dates and locations: _____

On a separate page, please respond to the following questions (250 words or less):

- 1) Why would you like to attend the ASET Annual Conference? (expectations, specific objectives)
- 2) How do you feel the experience would benefit you as a student and future professional in Neurodiagnostics?

The John Archibald Scholarship covers the registration fees for the three days of Annual Conference courses, abstract presentations and other events held during the ASET Annual Conference, such as the Exhibit Hall Reception. A \$500 check will also be awarded. The recipient of the scholarship must have additional resources for travel funds, lodging, and meals. Your signature below confirms that you would willingly accept the scholarship if awarded to you, and that you have the additional funding necessary to attend the meeting. You will also be asked to be present during the Awards luncheon of the annual conference, and to attend all three days of the conference.

Signature: _____ Date: _____

Program Director

The objective of the John Archibald Scholarship is to provide a student with the opportunity to attend the ASET Annual Conference and embrace the educational opportunities it provides. It is hoped that the experience will advance them as a student and future professional in neurodiagnostics. The scholarship award is not based solely on academic achievement or financial need. As the program director, your assistance is required to complete their application. The student will need a **letter from you** confirming the student is enrolled in your program and the reasons why you would recommend him/her as a worthy recipient of the scholarship. Please also sign below to confirm that the student will be formally excused from classes to attend the meeting.
